What you'll learn

If you own a home or have assets, an estate plan is not optional. In one hour you'll know the mistakes families make and how to avoid them.

- 01 **Wills vs. living trusts** — what each one does, and doesn't do, for your family.
- 02 **Probate court** — how it works, what it costs, and how to keep your family out of it.
- 03 **Powers of attorney** — why some stop working exactly when you need them.
- 04 **Your home & nursing-home costs** — protecting the house from long-term care bills.
- 05 **Your heirs' inheritance** — shielding it from lawsuits, divorce, and overspending.
- 06 **Beneficiaries & the SECURE Act** — naming retirement accounts and life insurance correctly.
